Write a short story about an amazing and unforgettable adventure.

The Sun dipped below the horizon, painting the sky with colours of bright gold as I stood at a National park. A sense of excitement coursed through me, for I was ready to watch and see all the animals. It felt so wonderful that the elephant even did gymnastics!

I watched the animals catch their prey and I even saw a tiger trying to catch a giraffe but that didn't turn up well... At this point I was as bored as a sloth, but suddenly a sign caught my eye, it said "If you want to have the funnest, come to the maze forest!" My mind was twirling thinking if I wanted to go or not. I trusted the sign so I went into "The funnest maze". Once I got in there was a hippo staff welcoming me in. When the adventure began, I suddenly felt that I was in an entire another universe. There was a beautiful, the most amazing waterfall. The water was clear and fresh and next to it was a statue of a beautiful woman. The grass was lush and green, the most clean grass I ever seen.

Sadly, it was time for me to return back home. Reached home safely and to finish the day, there was a beautiful sunset. A day I could never forget.
