Redaction Explanatory Guide

Council's Governance and Risk team will review each Return in conjunction with the Government Information (Public Access) Act 2009 (the "GIPA Act"), with reference to the "Public interest considerations against disclosure" which are listed in the Table to section 14.

For example, Council officers will redact signature and current principal place of residence in accordance with Part 3 (a) of the table as this is considered personal information and consequently "There is a public interest consideration against disclosure of information if disclosure of the information could reasonably be expected to ... reveal an individual's personal information".

If a property listed on a Return, e.g. an investment property, is not the current principal place of residence of a Councillor or a Designated Person, Council officers will review the information in accordance with Part 3 (a) of the table if the property is the principal place of residence or business of an immediate family member, and will conduct a Public interest test in accordance with section 13 of the GIPA Act.

Council officers when conducting a Public interest test must also consider other public interest considerations against disclosure in the GIPA Act, such as:

Part 3 (e) "There is a public interest consideration against disclosure of information if disclosure of the information could reasonably be expected to ... expose a person to a risk of harm or of serious harassment or serious intimidation";

Part 4 (d) "There is a public interest consideration against disclosure of information if disclosure of the information could reasonably be expected to ... prejudice any person's legitimate business, commercial, professional or financial interests".

Additionally, the amount of any income, shareholding or debt disclosed will be redacted in accordance with Part 4 (d) and the names of a spouse/partner if that information is provided throughout the return will be redacted in accordance with Part 3 (a) of the table to section 14 of the GIPA Act, as above.

This list is not exhaustive: Council officers will review every Return on its merits in conjunction with the complete list of public interest considerations against disclosure in the GIPA Act;
