

ASHFIELD TRAFFIC COMMITTEE

The Ashfield Traffic Committee has no decision-making powers and is primarily a technical review committee. It only advises the elected Council on matters for which the Council has delegated authority. The Committee operates under Roads and Maritime Services 'A guide to the delegation to councils for the regulation of traffic'. In summary:

- Roads and Maritime Services (RMS) has delegated certain aspects of the control of traffic on regional and local roads to Council. A condition of this delegation is that Council must refer all traffic related matters to the Traffic Committee prior to exercising its delegated functions.
- The four voting members on the Traffic Committee are:
 - Council's representative (chair)
 - NSW Police representative
 - RMS representative
 - State Member of Parliament representative for the electorate containing the item. The State electorates in Ashfield Local Government area include: Summer Hill, Strathfield, and Canterbury.
- The meeting does not need a specific quorum, however any advice can only be returned to the elected Council if the views of NSW Police and RMS have been obtained.
- The Ashfield Traffic Committee operates as a closed meeting and attendance to the meeting is via invitation only. At times interested stakeholders may address items referred to the Traffic Committee where their information adds value and does not greatly increase the time spent by the Committee on progressing the item. Interested stakeholders always have the opportunity to attend the elected Council meeting when the minutes of the Traffic Committee are discussed / determined.
- All formal items referred to the Traffic Committee typically have been fully investigated, consulted (if needed) and proposed actions identified.
- Where the elected Council decides on an item contrary to the Traffic Committee recommendation, then Council must immediately advise RMS and NSW Police in writing of its decision. The RMS or NSW Police may then lodge an appeal within 14 days to the Regional Traffic Committee.
- The Council must not action any item under appeal until the matter has been determined by the Regional Traffic Committee.
