## 1 Introduction

- 1.1 Inner West Council (Council) has established the Audit, Risk and Improvement Committee ('Committee' or 'ARIC') in compliance with section 428A of the *Local Government Act 1993*. These terms of reference set out the Committee's objectives, authority, composition and tenure, roles and responsibilities, reporting and administrative arrangements.
- 1.2 These terms of reference have effect from 1 July 2024.

## 2 Objective

- 2.1 The objective of Council's ARIC is to provide independent assurance to Council by monitoring, reviewing and providing advice about the Council's governance processes, compliance, risk management and control frameworks, external accountability obligations and overall performance.

## 3 Independence

- 3.1 The Committee is to be independent to ensure it has no real or perceived bias or conflicts of interest that may interfere with its ability to act independently and provide Council with robust, objective and unbiased advice and assurance.
- 3.2 The Committee is to provide an advisory and assurance role only and is to have no administrative function, delegated financial responsibility or any management functions of the Council. The Committee will provide independent advice to the Council that is informed by the Council's internal audit and risk management activities and information and advice provided by Council relevant external bodies and subject matter experts.
- 3.3 The Committee must at all times ensure it maintains a direct reporting line to and from the Council's internal audit function and act as a mechanism for internal audit to report to the governing body and general manager on matters affecting the performance of the internal audit function.

## 4 Authority

- 4.1 Council authorises the Committee, for the purposes of exercising its responsibilities, to:
  - access any information it needs from Council;
  - use any Council resources it needs;
  - have direct and unrestricted access to the General Manager and senior management of the Council;

- Seek the General Manager’s permission to meet with any other Council staff member or contractor;
  - Discuss any matters with the external auditor or other external parties;
  - Request the attendance of any employee at committee meetings, and
  - Obtain external legal or other professional advice in line with Council’s procurement policies (following budgetary consideration and consultation with the General Manager).
- 4.2 Information and documents pertaining to the committee, other than its Minutes, are confidential and are not to be made publicly available. The committee may only release Council information to external parties that are assisting the committee to fulfil its responsibilities with the approval of the General Manager, except where it is being provided to an external investigative or oversight agency for the purpose of informing that agency of a matter that may warrant its attention.

## 5 Composition and Tenure

- 5.1 The Committee will consist of an independent Chairperson and two independent members who have voting rights and one non-voting councillor/board member, as required under the Local Government (General) Regulation 2021.
- 5.2 The governing body is to appoint the Chairperson and members of the committee. Current committee members are published on the Council website.
- 5.3 All committee members must meet the independence and eligibility criteria prescribed under the Local Government (General) Regulation 2021.
- 5.4 Members will be appointed for up to a four-year term. Members can be reappointed for one further term, but the total period of continuous membership cannot exceed eight years. This includes any term as Chairperson of the committee. Members who have served an eight-year term (either as a member or as chairperson) must have a two-year break from serving on the committee before being appointed again. To preserve the committee’s knowledge of the Council, ideally, no more than one member should retire from the committee because of rotation in any one year.
- 5.5 The terms and conditions of each member’s appointment to the committee are to be set out in a letter of appointment. New members will be thoroughly inducted to their role and receive relevant information and briefings on their appointment to assist them to meet their responsibilities.
- 5.6 Prior to approving the reappointment or extension of the chairperson’s or an independent member’s term, the governing body is to undertake an assessment of the chairperson’s or committee member’s performance. Reappointment of the Chairperson or a committee member is also to be subject to that person still

meeting the independence and eligibility requirements prescribed under the Local Government (General) Regulation 2021.

- 5.7 Members of the committee must possess and maintain a broad range of skills, knowledge and experience relevant to the operations, governance and financial management of the Council, the environment in which the Council operates, and the contribution that the committee makes to the Council. At least one member of the committee must have accounting or related financial management experience with an understanding of accounting and auditing standards in a local government environment. All members should have sufficient understanding of the Council's financial reporting responsibilities to be able to contribute to the committee's consideration of the Council's annual financial statements.

## 6 Role

- 6.1 As required under section 428A of the Local Government Act 1993 (the Act), the role of the committee is to review and provide independent advice to the Council regarding the following aspects of the Council's operations:
- compliance
  - risk management
  - fraud control
  - financial management
  - governance
  - implementation of the strategic plan, delivery program and strategies
  - service reviews
  - collection of performance measurement data by the Council, and
  - internal audit
- 6.2 The committee must also provide information to the Council for the purpose of improving the Council's performance of its functions.
- 6.3 The committee's specific audit, risk and improvement responsibilities under section 428A of the Act are outlined in Schedule 1 to these terms of reference.
- 6.4 The committee will act as a forum for consideration of the Council's internal audit function and oversee its planning, monitoring and reporting to ensure it operates effectively.
- 6.5 The committee has no power to direct external audit or the way it is planned and undertaken but will act as a forum for the consideration of external audit findings.
- 6.6 The committee is directly responsible and accountable to the governing body for the exercise of its responsibilities. In carrying out its responsibilities, the committee must at all times recognise that primary responsibility for management of the Council rests with the governing body and the General Manager.

- 6.7 The responsibilities of the committee may be revised or expanded in consultation with, or as requested by, the governing body from time to time.

## 7 Responsibilities of members

### Independent members

- 7.1 The Chairperson and members of the committee are expected to understand and observe the requirements of the Office of Local Government's Guidelines for risk management and internal audit for local government in NSW. Members are also expected to:

- make themselves available as required to attend and participate in meetings
- contribute the time needed to review and understand information provided to it
- apply good analytical skills, objectivity and judgement

- maintain effective working relationships with the Council
- have strong leadership qualities (chairperson)
- lead effective committee meetings (chairperson), and
- oversee the Council's internal audit function (chairperson).

### Councillor members (if applicable)

- 7.3 Issues or information the councillor member raises with or provides to the committee must relate to the matters listed in Schedule 1 and issues being considered by the committee.

- 7.4 The Councillor member of the committee must conduct themselves in a non-partisan and professional manner. The Councillor member of the committee

must not engage in any conduct that seeks to politicise the activities of the committee or the internal audit function or that could be seen to do so.

- 7.5 If the Councillor member of the committee engages in such conduct or in any other conduct that may bring the committee and its work into disrepute, the Chairperson of the committee may recommend to the Council, that the Councillor member be removed from membership of the committee. Where the Council does not agree to the committee chairperson's recommendation, the Council must give reasons for its decision in writing to the chairperson.

### Conduct

- 7.6 Independent committee members are required to comply with the Council's code of conduct.
- 7.7 Complaints alleging breaches of the Council's code of conduct by an independent committee member are to be dealt with in accordance with the Procedures for the Administration of the Model Code of Conduct for Local Councils in NSW. The General Manager must consult with the governing body before taking any disciplinary action against an independent committee member in response to a breach of the Council's code of conduct.

### Conflicts of interest

- 7.8 Once a year, committee members must provide written declarations to the Council stating that they do not have any conflicts of interest that would preclude them from being members of the committee. Independent committee members are 'designated persons' for the purposes of the Council's code of conduct and must also complete and submit returns of their interests.
- 7.9 Committee members and observers must declare any pecuniary or non-pecuniary conflicts of interest they may have in a matter being considered at the meeting at the start of each meeting or as soon as they become aware of the conflict of interest. Where a committee member or observer declares a pecuniary or a significant non-pecuniary conflict of interest, they must remove themselves from committee deliberations on the issue. Details of conflicts of interest declared at meetings must be appropriately minuted.

### Standards

- 7.10 Committee members are to conduct their work in accordance with the International Standards for the Professional Practice of Internal Auditing issued by the Institute of Internal Auditors and the current Australian risk management standard, where applicable.

## 8 Work plans

- 8.1 The work of the committee is to be thoroughly planned and executed. The committee must develop a strategic work plan every four years to ensure that the matters listed in Schedule 1 are reviewed by the committee and considered by the internal audit function when developing their risk-based program of internal audits. The strategic work plan must be reviewed at least annually to ensure it remains appropriate.
- 8.2 The committee may, in consultation with the governing body, vary the strategic work plan at any time to address new or emerging risks. The governing body may also, by resolution, request the committee to approve a variation to the strategic work plan. Any decision to vary the strategic work plan must be made by the committee.
- 8.3 The committee must also develop an annual work plan to guide its work, and the work of the internal audit function over the forward year.
- 8.4 The committee may, in consultation with the governing body, vary the annual work plan to address new or emerging risks. The governing body may also, by resolution, request the committee to approve a variation to the annual work plan. Any decision to vary the annual work plan must be made by the committee.
- 8.5 When considering whether to vary the strategic or annual work plans, the committee must consider the impact of the variation on the internal audit function's existing workload and the completion of pre-existing priorities and activities identified under the work plan.

## 9 Assurance reporting

- 9.1 The committee must regularly report to the Council to ensure that it is kept informed of matters considered by the committee and any emerging issues that may influence the strategic direction of the Council or the achievement of the Council's goals and objectives.
- 9.2 The committee will provide an update to the governing body and the General Manager of its activities and opinions after every committee meeting.
- 9.3 The committee will provide an annual assessment to the governing body and the General Manager on the committee's work and its opinion on how the Council is performing.
- 9.4 The committee will provide a comprehensive assessment every council term of the matters listed in Schedule 1 to the governing body and the General Manager.
- 9.5 The committee may at any time report to the governing body or the General Manager on any other matter it deems of sufficient importance to warrant their

attention. The Mayor and the Chairperson of the committee may also meet at any time to discuss issues relating to the work of the committee.

- 9.6 Should the governing body require additional information, a request for the information may be made to the Chairperson by resolution. The Chairperson is only required to provide the information requested by the governing body where the Chairperson is satisfied that it is reasonably necessary for the governing body to receive the information for the purposes of performing its functions under the Local Government Act. Individual Councillors are not entitled to request or receive information from the committee.

## 11 Resignation and dismissal of members

11.1 Where the Chairperson or a committee member is unable to complete their term or does not intend to seek reappointment after the expiry of their term, they
