#### **4.7 Bruce Ashley (further items)**

- 4.8.1 Brush turkey mound partially blocking the GreenWay pathway at Hercules St. What is IWC actions/policy on this? Needs to be managed to ensure full path width. Suggested action to place low shade cloth barrier between mound and shared path.
- 4.8.2 Follow-up audit on path works – issues have noted since opening (apart from signage). Email to be sent to Magda separately.
- 4.8.3 Signage – lack of GreenWay-branded navigation signage and comments from path users since opening. How can the Forum help push things along?
- 4.8.4 Path usage monitoring/count. What is the latest? IWC over a year ago stated in writing that all was in hand but appears there has been no new monitoring of path usage since the opening.
