"Spikey, S-p-i-k-e-y!"

"That's correct! Jonny Robertson, your word is counter,

"Mmmhrr!" The students replied.

"Guys! I think I see a gap between the chairs and Ms Farrall desk! should we check it out?!"

"Sure!"

"Ok but we have to be sneaky. Oh, guys! I think I found a hole or a portal! Lets jump in and see what happens."

(2)

it can't be too bad right?"

"I don't know Jonny, I'm pretty scared."

"Let's just do it, don't be a scardy cat!"

"Ok.... I guess,"

"Ready everyone line up after me."

"Ok!" answered all the students.

"3, 2, 1, Ahhhhhhhhhhh!"

"Is Jonny alright?"

"I don't know!"

"Should we just go?"

"I guess."

"3, 2, Ah, Ahhhhhhhhhhhhh!"

"Jonny did you pull as all in?"

"yep."

"Alright it doesn't matter, this place is so cool!"

"I know right?"

"It's so colourful and magical!"

"I wonder what you can do in this land?"

"Guys! shhh!" Jonny whispered.

"Why?"

"Because I think I ~~here~~^{hear} Ms Farrall coming back into the classroom."

So the kids decided to walk away from the portals along a narrow path. Along the way, they noticed something strange. In the distance the students heard animals talking to each other. And then out of the blue, one of the talking animals stood right ~~beside~~ behind them.

"Excuse me kids, are you lost?"

"What is this place? I think we're lost."

"This is land called Magic Kingdom, let me show you around. Here is the spinner flyer Fairy Floss Machine, and here is the

My crew. so where are you planning to go?"

"H-o-m-e, home!" "we are ~~about~~ actually trying to escape school!"

"Well the only way to get out of Magic Kingdom is, to solve a riddle at the castle."

"And how do we do that?"

"you have to walk up a steep hill to get into the castle, then talk to the king of the magic kingdom, and he will give you a riddle to solve, and then you're free and you can leave. But if you don't get the riddle correct, you stay in Magic Kingdom forever!"

"Ok we all understand."

"great, see you later."

"Bye."

"Bye."

"Should we go up to the castle now?"

"Up to you."

"Well if we want this adventure to best of our lives then we have to!"

"But why would we want to ~~do~~ that?"

"Because we are skipping school, and this is the opportunity."

"Alright."

So while the kids were walking up the hill to the castle the king of the kingdom saw them, so he started to prepare a riddle.

As the kids arrived he asked them in a stern voice, "I'm where your day ends and dreams begin, I hold your things and loved ones within. What am I?"

The kids gathered together looking confused. Then suddenly Penelope shouted, "I've got it! IT'S HOME!" Her friends squealed with joy.

The lion replied, "you are correct! you can go home now."

The ~~the~~ children all got teleported back into their classroom, just in time before the teacher came back.
