### The Adventure to the Cloudlands

Once there was 4 animals who lived in a enormous farm with a very generous farmer. One day the animals held a meeting. When Baa-Baa moved the hay, he revealed a mysterious portal. The portal looked like a circle coloured with black and purple. "Should we go in?" asked Quack-quack with a most pleading voice. "Please?" "Fine" said a tired Moo-moo the cow "I'll pack food." "Why did the banana go to the doctors?" asked cluck-cluck the chicken. "Because it wasn't peeling well" answered Baa-baa. "You always repeat that joke."

"Is everybody ready?" asked Quack-quack. "All set" said everyone. They all took one step in. But then a dragon appeared out of nowhere. Quack-quack ran for the portal and jumped. Baa-Baa and Moo-Moo were next. Cluck-cluck was running around in circles yelling "Save Me!" Suddenly he jumped into the portal. "Phew" said Cluck-cluck. "Hey!" yelled Quack-quack "what in the world is that!" "Hi my name is Tweet-tweet what's yours?" said the bird.
