

Writing competition

Book an adventure and whisk us away to new lands and unforgettable characters.

Write a short story about an amazing and unforgettable adventure.

Dangers of Dreamland

"Boom!" Tonight there is a monster scarring in the sky. The worst thing of all is I'm having a Sleepover! "Hey Queen!" Clarie calls. I don't respond. I feel like I will burst because I'm so excited and scared. "We have pizza!" Clarie exclaims. Ok I admit I am mainly excited. I squeal "Yee!"

We fall asleep 3 hours later. We start to feel weird. My sleepy eyes wake to a stop. "What the heck!" Clarie yelled at the top of her voice. Butterflies, rainbows, fashion, corgis and Dance? I think I scream-out without thinking "This is my dreams!" Clarie stops like a deer catching her head lights then her mouth drops. What did I do...

"SAME!" Seriously what is going on today. "Um what is that" I say in a very shaky voice. "I don't know" Clarie said in the same voice. A very danger looking portal

Coming closer my the minute. Me and Clarie shake the closer it gets the closer it gets... Then starts to walk (what?) and talk? "I have a message from Neetra. If you don't go back by sunset you will face the dangers of dreamland!" Said in a deep voice you could never touch the bottom. "Ok will do your stupid tasks!" Snapped Clarie in the sassiest voice ever known to man. Come on Ellen it's only midday we have plenty of time. But the tasks are make a dress, ride a corgi, slide down a rainbow, but the worst of all defit Neetra.

"Who is Neetra?" I ask. "The leader of dangers." he says. "We have to stop this!" Clarie screams. "Do you dare to go againsts the king?" He cried as angry as a bull. Clarie got pulled in by the portal. Where did she go? If now one will go to Neetra then I will. "Corgis assemble!" I call with triumph. At that second a army of Corgis and Butterflies become my army. "to the palace!" I shout. Over the bridge we fight pigs.

Then here is Neetra and Clarie. My corgis grab Clarie I deal with Neetra. "Well we meet again Ellen." Neetra says. "Yes we do. Now give it up king."
