Write a short story about an amazing and unforgettable adventure.

Once there was a bowl. But not just any ordinary fruit bowl, or whatever food you put in the bowl. This was a bowl full of fruit and vegetables that were living their best life in their own little country town. Now let me introduce you to Apple, Avocado (you can call him Avo). Oh yes and Orange. Like I said they were living a great ordinary life until the friends noticed they were getting bored of doing the same thing every day. They didn't know what to do. "I don't know what to do" muttered Orange. "Neither do I" said Avo. None of them knew what to do until Apple thought of a great idea, of course, they needed a holiday! "Apple, that is the most amazing idea ever" yelled Orange and Avo. So they packed their bags and tried to leave the country town until something or someone I should say blocked their way. "EVIL BANANA" screamed the friends. "I will never let you leave this bowl you will be trapped here forever, Ha Ha Ha Ha" yelled Evil Banana. "Oh no you don't"

said Apple bravely. The three of them quickly huddled and tried to think of a plan. "We can't think of a plan" whispered Avo and Orange. They had no plan until Apple came up with one of her great ideas again. "I know what to do" yelled Apple. "Let's pretend we are going to be the servants but we do everything wrong he will be so upset he will let us go!" said Apple excitedly. "Great idea Apple!" whispered Avo and Orange. So the three friends said to Evil Banana "Okay we will be your servants" they said pretending. First they had to set the table for lunch so they broke the plates and put them on the table. Then they spilt the water everywhere. When Evil Banana came in, as he walked his mouth dropped almost up to his chest. "No! That was my Grandmother's fine china from one hundred years ago." He yelled. "And you spilt the water on my nice floor and table." Evil Banana cried. "I don't want any more damage. All of you leave go wherever you want to go." Screamed Evil Banana. "Oh and also if you escape the bowl I will be angry" he yelled. But that is exactly what they did. And they had the best holiday ever!

THE END Happily ever After
