INNER WEST

The next morning Mary packed her lunch-box. She packed a seaweed cake, a sand-shake and a peice of sea gum.

"Honey ready for school?" asked her mum.

"By the way mum I forgot to tell you last night, my class is going to the coral reef," she replied.

When mary finished her mum swam to the door and locked it and threw the key in the bin.

Once she did this she remembered the time when Mary was a baby and how a fisher nearly snatched her.

"Um Mary as your mother I tell you that you can't go to school today." Screamed Mum.

Mary Swam to her room sobbing and locked the door. Shortly after Mary's Mum knocked on the door and asked Mary if she could come in. Mary said yes, So her Mum decided to tell her the

• Story about when she was only a baby jelly fish.

Mary asked her mum why she didn't tell her sooner and that it was ok and she would be with her class away from the humans.

"Since it's still early do you want me to drop you off at school now and you would probably still make it on time?" asked her mum.

"Yes please!" squealed mary.

So mary got to school on time and sat next to clara on the sea shark.

They class of Kswim saw so many cool things like, ~~as~~ rainbow coral, other kindy kids from different schools and even the rare rainbow turtle. Mary got home safe and said to her mum,
