Once upon a time in a land far, far away, there was a girl called Ruby and a girl called Chloe. They lived in a small cottage in a small town. Every day was the exact same as all the other boring days, except this one. "Ahhh!"

"Ahhh!" Screamed Ruby. "There's a tornado outside our house!"

"What's going on?" yawned Chloe.

"Oh! there's a tornado outside our house!"

"Ruuuun!!!!" yelled Ruby and Chloe.

After they both made it to safety together the girls needed a plan to stop the tornado and save their town. They pulled out their magic pocket watch, set their destination and traveled back in time to the tornado's force but ten minutes earlier.
