went inside there she goes. She went in and saw
a giant books that she could only step
on because under the big book gaps had a
creepy strict library teacher. Telling you to read
all the books in the library and then scaring
you and screaming at you telling you
to get ^{to} the library and read. And she turns
and hears a ~~aa~~ CRASH and her strict
library teacher from the library came and
said "You better leave here before
you get in big big big big
trouble. Mrs crunchble came ~~and~~ the
library teacher yes her name is Mrs crunchble
but then Diana saw another portle and
Diana went in it but she came back to
the real world but it was all a
dream and she Diana was sweating
