Item: C0826(1) Item 45 Notice of Motion: Marrickville West Public School Water Eco Garden

Task	Comments	Status
That Council: 1. Notes that there is a Water Eco Garden at Marrickville West Public School (MWPS), set up in collaboration between the former Marrickville Council and local community groups, including Connect Marrickville, the Riverside Crescent Sub Catchment Working Group, the Henson Street catchment community, the MWPS P&C, and the Marrickville West Community Garden. This was an experiment in a co-governed water sensitive urban design, which saw the installation of a rain garden and tank for stormwater treatment storage and reuse at Henson Street and Marrickville West Public School, and was intended in part to irrigate the neighbouring Marrickville West Community Garden. 2. Notes that the project was initiated as a partnership between Marrickville Council and the Marrickville West Public School, however since amalgamation, the Inner West Council has not contributed to the project, leaving MWPS solely responsible for amounts of up to $5000 per annum in irrigating the garden. 3. Provides a report back to Council by December 2026 scoping re-entry into a collaborative partnership with Marrickville West Public School to maintain the Marrickville West Water Eco Garden, including contacting existing stakeholders and outlining any potential costs to Council.	Research prior agreements, consult with school and prepare report Ordinary Council Meeting in December	In Progress

Include consideration of the installation of kayak storage racks at an appropriate location within or adjacent to Birchgrove Oval, to enable community feedback during the community consultation process and subsequent consideration as part of the final Master Plan and Plan of Management, subject to available funding and overall capital works priorities.	Engagement to commence in late September 2026.	In Progress

Item: C0826(1) Item 51 Notice of Motion: Henson Park Ticket Gates

Task	Comments	Status
That Council: 1. Develop plans to upgrade the historic Woodland Street ticket gates. 2. As part of planning, consider options to restore the original turnstiles. 3. Consult with the Newtown Jets and other clubs using Henson Park about future uses for the ticket gates, including park access, ticketing, storage, kiosk, small bar or other use. 4. Report back to Council by December 2026 with information including, but not limited to, feedback on consultation with clubs, possible uses, potential designs, indicative costs and funding sources (including working with local clubs), and whether adjustments to the Henson Park Plan of Management are required.	The consultant engagement is anticipated by the end of September 2026. Council staff have commenced investigative works to gather background information and inform the consultant's assessment of the Woodland Street ticket gates as part of the broader project.	In Progress

Item: C0826(1) Item 52 Notice of Motion: Traffic Congestion At Marrickville Road And Livingstone Road

Task	Comments	Status
That Council: 1. Investigate options to improve traffic circulation at the intersection of Marrickville Road and Livingstone Road, particularly at school pick up and drop off times. 2. Considers adjustments to traffic arrangements, including road markings, signalling at the intersection, parking, bus movements and improved active transport and pedestrian options. 3. Consults with Transport for NSW, St Brigid's Primary School, St Brigid's Church, Casimir Catholic College and other relevant stakeholders. 4. Reports back to the Local Transport Forum by December 2026 with the outcomes of stakeholder consultation, and with potential options to improve parking and traffic circulation and to relieve congestion.	Review yet to commence.	In Progress

Item: C0826(1) Item 53 Notice of Motion: Increase to the Number of Public Street Bins and Collection Frequency

Task	Comments	Status
That Council: 1. Reaffirm its commitment to increasing the number of public street bins and frequency of collection as a councillor priority in this term of Council (Priority 2.4.3.7 in the Inner West Council Delivery Plan). 2. Asks staff to report back to Council by December 2026 on progress to deliver this priority, including: a) Planning to deliver more public bins when the current contract for street furniture ends; b) Analysis on locations for additional public bins, and timeline for delivering potential locations; c) Operational impacts; d) Indicative costs and funding sources; and e) Indicative timeline.	Data collection of litter bins being arranged across September and October 2026	In Progress

Item: C0826(1) Item 55 Notice of Motion: Creating a dog park at Falls Street Reserve, Leichhardt

Task	Comments	Status
That: 1. Council investigate transforming the whole of Falls Street Reserve in Leichhardt to a full-time, fully-fenced off leash dog park. 2. Council officers bring a report back to the October 2026 Ordinary Council meeting with indicative costs, timeline, advice as to the required community consultation. 3. The report should include a plan to use the $20,000 identified in the newly adopted Pocket Parks Plan of Management to create the dog park, including fencing, water stations and signage.	Investigations are being undertaken on the feasibility of the project and a report is to be prepared for the October Ordinary Council meeting.	In Progress

Item: C0826(1) Item 56 Notice of Motion: Leichhardt Park Aquatic Centre (LPAC) Creche

Task	Comments	Status
That: 1. Noting that during the LPAC renovation, many facilities will continue to be open and operable, that Council officers reconsider the closure of the LPAC creche. 2. Council officers identify: a) a timeline	The temporary closure of the LPAC creche due to constructions works required Council officers from the Aquatics team to ensure bookings and access to the AKAC and AAC	In Progress

on which the creche can be reopened b) locations of alternative Council aquatic and gym facilities with onsite creche services, and c) provide this advice to Councillors via Briefing Note, and d) write to every user of the LPAC creche to provide this information.	creche is in place. Users of the LPAC creche are currently accessing the H&F services and associated creche servicing in line with membership entitlements for the Inner West Aquatic centres with ongoing communications and support taking place. Council has proactively communicated the temporary closure to affected users through multiple channels, including: • Direct email correspondence to crèche users; • Onsite signage throughout LPAC; • Updates on Council's website; and • Face-to-face communication from staff at the centre. In addition, a follow-up letter will be used issued by GM to all registered LPAC crèche users acknowledging the inconvenience caused, outlining the reasons for the closure, and providing information on available alternative services.	

Item: C0826(1) Item 57 Notice of Motion: Community Access: Graham Green - Dulwich Hill High School of Visual Arts

Task	Comments	Status
That Council support a trial of weekend community access to Graham Green, Dulwich Hill, and commit to working together with the NSW Department of Education and Dulwich High School of Visual Arts and Design to deliver the trial, with the site cleaned each Monday morning prior to students and staff returning.	Meeting held with NSW Department of Education and school Principal and Report being prepared to October Ordinary Meeting	In Progress

Item: C0826(1) Item 58 Notice of Motion: Hercules Street Lunar New Year Event

Task	Comments	Status
That Council: 1. Welcomes the decision of the Geographic Names Board and Ministerial approval to dually name the west side of Hercules Street Quong Tart Plaza. 2. Congratulates ASHbiz on its continued support and advocacy for small businesses in Ashfield, Summer Hill and Haberfield. 3. Acknowledges that Inner West Council was successful in receiving a grant from Transport for NSW's Plug and Play program, designed to simplify and aid public events at key locations. 4. Notes our commitment in 2025 to host 6 events per year in Hercules Street as part of the Plug and Play Program. 5. Works with ASHbiz to host a marquee Lunar New Year event in 2027 in Hercules Street and Ashfield Plaza that promotes Ashfield businesses, community organisations and cultural groups and celebrates the naming of Quong Tart Plaza.	Engagement with Ashbiz has commenced and project delivery and event scope being collaboratively agreed.	In Progress

installation of additional handball court line markings. 3. Provides a report by the October 2026 Council meeting outlining suitable locations and any associated costs, with a view to incorporating the works into the existing operational budget.		

Item: C0826(1) Item 62 Notice of Motion: Conversion of Ann Street, Balmain to a OneWay Street

Task	Comments	Status
That Council: 1. Notes that the potential conversion of Ann Street, Balmain, to a one-way street including an opposing one-way arrangement on Stephen Street to create a one-way circuit, is proposed in the draft Balmain East-Birchgrove Local Area Traffic Management Plan, which will soon be placed on public exhibition. 2. Requests that the one way restrictions in Ann Street and Stephen Street be prioritised for implementation should it be supported through the public exhibition and subsequent approval processes. 3. Investigates any additional traffic calming measures that may be appropriate for Ann Street to further improve traffic safety and reduce vehicle speeds.	Part of Balmain East-Birchgrove LATM to be reported to September 2026 LTF for approval to consult.	In Progress

Item: C0826(1) Item 63 Notice of Motion: White Bay Southern Link and Inner West Bike Buses and Ride events

Task	Comments	Status
That Council: 1. Write to Placemaking NSW requesting that the recently completed road known as the White Bay Southern Link be made permanently accessible to pedestrians and cyclists, providing a safe and direct active transport connection through the White Bay area. 2. Support established Inner West bicycle advocacy groups, including Balmain Bike Bus and Marrickville Bike Bus, by promoting their community rides and bike bus events through Council's online communication channels, including social media and the Council's What's On webpage, to assist these groups in reaching more residents and encouraging greater participation in active transport.	Letter to placemaking NSW drafted	In Progress

Item: C0826(1) Item 5 Post Exhibition - Parking Strategy & Public Domain Parking Policy

Task	Comments	Status
That: 1. Council adopt the revised Inner West Parking Strategy and Public Domain Parking Policy attached to the report, subject to the following revisions: a) Reiterate in both the Inner West Parking Strategy and Public Domain Parking Policy that i. that the conversion of carparks to social housing is to be premised on all existing public car parking being replaced in the development. ii. There is to be no expansion of parking meters at these locations, or any other location in the local government area iii. Council will investigate how to escalate the delivery of public parking in the town centre as part of future VPAs	The Parking Strategy and Policy has been amended as per resolution. The review of 2027/28 fees and charges as well as report to the February 2027 Council meeting has not yet started.	In Progress

Task	Comments	Status
and other planning instruments b) Include in both documents, and to supplement the Active Transport Infrastructure Plan, that: i. A proportion of parking revenue should be reinvested in bicycle parking, secure bicycle facilities and other active transport infrastructure, particularly within the precincts from which the revenue is generated ii. All parking investigations and reviews undertaken in town centres, parks plans of management, infrastructure masterplans and in Local Area Traffic Management studies, are to assess existing bicycle parking provision, demand and opportunities for additional bicycle parking iii. Council will establish targets for increasing publicly accessible bicycle parking across the LGA, with priority given to town centres, public transport interchanges, libraries, parks, community facilities and other major destinations. iv. Council will establish a publicly accessible mechanism through which residents and businesses can request additional bicycle parking, with requests assessed against demand, safety, accessibility and available public-domain space. v. Council will investigate opportunities for privately-owned e-bike charging and parking. 2. Recognising the cost-of-living pressures facing Inner West households, Council will commit to limiting the costs associated with parking in the Inner West, and include in the Budget process for 2027-2028 measures including: a) No increase to resident parking permit fees above CPI for three years; b) providing 30 free visitor permits per eligible household each year; c) reaffirming our commitment to a 50% resident permit concession for eligible pensioners/concession-card holders. 3. Council write to the Minister for Transport and the Minister for Planning providing a copy of the Parking Strategy and advocating for public transport improvements to support the objectives of the Strategy. 4. Staff provide a report to the February 2027 Council meeting about expanding the transitioning to independence from vehicle ownership program to the broader car-owning population of the Inner West, whether through seminars or other means, outlining a program schedule, promotion plan and potential costs where the funding cannot be accommodated in existing budgets.		

Item: C0826(1) Item 7 Local Transport Forum Meetings - 15 June 2026 and 20 July 2026

Task	Comments	Status
That Council: 1. Receive and adopt the recommendations of the Local Transport Forum meeting held on 15 June 2026. 2. Receive and adopt the recommendations of the Local Transport Forum meeting held on 20 July 2026 subject to the following changes to the items listed below: a) Item 18 – Morris Street, Summer Hill - Request for resident parking to both sides of the street - amend Point 2 of the recommendation to read: 'That Council consider a review of Morris Street parking usage and any possible extension to the current Resident Parking Scheme as part of a broader study of parking in the Summer Hill Precinct including a parking plan for the surrounding streets and that officers report by March 2027 on the timing and resourcing of the Summer Hill	Items (including amendments) are implemented as per operational processes. Task	Comments	Status
precinct study, together with details on the parking occupancy and permit data study already conducted.' b) Item 6 – Robert Street, Rozelle - Robert Street Cycleway – the decision to read: 1. 'That a separated pedestrian and cycle path along the northern side of Robert Street between Mullens Street and Buchanan Street, Rozelle, including kerb extensions and raised pedestrian and bicycle crossing be included in Council's Capital Works program subject to detailed design and community consultation. 2. That Council continues to actively pursue a separated cycle path on the southern side of Robert Street, Rozelle being the preferred side for a long-term cycleway, including writing to the Port Authority, reiterating Council's request to establish a cycleway and pedestrian path on Port Authority land along the length of Robert Street, from Mullens Street to Buchanan Street and provide a report back to council's September 2026 meeting, including a written response from the Port Authority.' c) Item 13 – Alberto Street, Lilyfield - Proposed Resident Parking Scheme - the decision to read: 1. Note that Council acknowledge the concerns of the Alberto Street residents in regard to the impact of long term parking in the street and the availability of parking for local residents. 2. Note that local residents in the surrounding streets - including Maida and Victoria Street have raised concerns at the July LTF meeting in addition to representations to local Councillors, and in their view the implementation of the restricted parking scheme in Alberto St will only serve to move the problem into surrounding streets. 3. Note that, to date, 20 households within the local community in Maida Street and Victoria Street have strongly opposed the implementation of the proposed parking restrictions in neighbouring Alberto Street as demonstrated by a petition in the absence of a more holistic neighbourhood approach. 4. That a parking study and community consultation be conducted in the surrounding streets (including Maida Street & Victoria Street) and tabled at the October 2026 LTF meeting. 5. That the recommendation to approve the restricted parking in Alberto Street be paused, until broader review and community consultation is conducted in relation to parking in the surrounding areas (including Maida Street & Victoria Street).

Item: C0526(1) Item 11 EV Chargers Utilisation

Task	Comments	Status
That Council adopt the following recommendations: 1. That Council continue planning for and working with Electric Vehicle (EV) charging partners to install public EV chargers to keep pace with increasing demand. 2. That charging providers should be requested to institute idle fees for AC chargers. 3. That Council gradually transition non-dedicated EV charging spaces to dedicated charging spaces, once overstay fees have been implemented and their impacts analysed. 4. That Council work with Council's kerbside charging providers to include DC fast chargers on the kerbside at strategic locations. 5. That Council undertake proactive mapping to identify priority sites for EV charger installation throughout the LGA, prioritising locations for pole-mounted chargers on existing poles and areas with low availability of off-street parking and higher density housing, to improve future EV readiness and rollout. 6. That Council investigate opportunities to partner with neighbouring councils for potential bulk installation of public chargers, including by region rather than LGA. 7. That Council receive a further report in six months to update on progress of public kerbside EV chargers installation, utilisation, and other initiatives in this report including impact of changes to fees and non-dedicated EV parking spaces. Item: C0526(1) Item 27 Notice of Motion: Protecting swimming during the LPAC

Task	Comments	Status
That: 1. In order to ensure swimmers and clubs are not disadvantaged while Leichhardt Park Aquatic Centre is being renovated, Council staff investigate: a) Opening the Inner West Council’s year-round pools for longer hours at Ashfield Aquatic Centre and Annette Kellerman Aquatic Centre; b) Introducing year round opening at Dawn Fraser Baths and Fanny Durack Aquatic Centre; and c) Negotiating reciprocal arrangements with neighbouring councils including Canada Bay Council for the possible use of Drummoyne Pool, Burwood Council for the use of Enfield Pool, Canterbury-Bankstown Council for the use of Canterbury Leisure and Aquatic Centre and City of Sydney for the use of Victoria Park Pool. 2. Council staff report back the results of their investigation at the next possible opportunity through the regular LPAC report to Council.	The closure of the LPAC has confirmed all users of the squads and lap swimming have access to and are using the AKAC and the AAC. Additional Aqua classes have been added to both sites to cater for additional users at the AAC and AKAC. Noting the learn to swim and gym programs are currently operating unchanged at the LPAC. The Leichhardt Swim Club is also confirmed to operate at the FDAC during the closure of LPAC from October to March. Current indications are user and customer needs are currently being met via opportunities to attend the AKAC and the AAC. There has been no feedback or ongoing requirement for extended access to the AKAC noting the AAC has opening hours that match those that were in place at the LPAC. Ongoing monitoring will continue over the coming to consider access needs at the AKAC in terms of extending opening times to match those in place at the LPAC and AAC. In terms of reciprocal rights access to neighbouring Councils, City of Sydney, Canada bay and Canterbury Councils have all confirmed a position where such as concept would be difficult and would not be taken up at this stage. Item: C0426(2) Item 1 Inner West Affordable Housing Policy

Task	Comments	Status
1. That Council reconfirms our commitment to fostering inclusive, diverse and sustainable communities by ensuring that affordable rental housing remains accessible to very low, low and moderate income households. Housing affordability is fundamental to the economic vitality of the Inner West, enabling workers, residents and families to live in the communities where they work and belong. Council actively facilitates partnerships with government agencies and community housing providers to expand the supply of affordable rental housing across the Inner West, and ensures that development contributions reflect both our affordable housing needs and the broader infrastructure requirements of our growing community. 2. That: a) Council notes that the draft affordable housing policy recommends 10% contribution for residential/commercial rezonings and 7.5% for industrial rezonings; and b) prior to exhibition the affordable housing contribution rate be amended so that when a developer led planning proposal seeks to amend a development standard or a zone that the contribution rate is the same for industrial land as for residential / commercial. 3. That Council publicly exhibit the draft Inner West Affordable Housing Policy for a period of at least 35 days beginning in May and seek feedback from relevant stakeholders and the community on the proposed policy. Engagement strategies will include: a) Seeking survey feedback from Your Say Inner West (YSIW) subscribers; b) Seeking feedback via social media and digital notice boards at libraries and services centres; c) Consulting with Council's Housing for All Local Democracy Group; d) Hosting a workshop with representatives from all local democracy groups; e) Seeking feedback from Homes NSW, Aboriginal Housing Office, NSW Department of Planning, Housing and Infrastructure, Community Housing Industry Association (CHIA), Faith Housing Alliance and Shelter NSW; f) Direct consultation with	Following the 25 August 2026 Council meeting, the Affordable Housing Policy is being revised to ensure it is plain English and streamlined and will be reported to the October Council meeting. Item: C0426(1) Item 34 Notice of Motion: Victoria Road Underbridge Safety

Task	Comments	Status
1. That Council notes the current condition of Victoria Road, in particular the stretch between Charlotte Avenue and Meeks Road, is unmaintained, with missing road markings, and cracks in the road and footpath contributing to dangerous conditions on the road and for pedestrians. 2. That Council as soon as is practicable, repaint the road markings and repair the road surface, with works to be undertaken within the scope of the existing roads or parks maintenance budget. 3.	The specialised contractor has advised that road grinding works are expected to commence in October 2026. Following completion of these works, Council will proceed with signage, line marking, joint sealing and asphalt works. Project completion remains on track for Q1 FY27.	In Progress

Task	Comments	Status
That Council officers attend the site to determine any additional safety measures that may be required at this location, including but not limited to accessibility and lighting.		

Item: C0426(1) Item 35 Notice of Motion: Charlotte Street Pedestrian Safety

Task	Comments	Status
1. That Council notes the current condition of the pedestrian staircase between Charlotte Avenue and Schwebel Street is poorly lit, with overgrown vegetation obscuring vision. 2. That Council as soon as is practicable, trim back the surrounding vegetation, repairing or replacing lighting sources and installing additional lighting, with works to be undertaken within the scope of the existing roads or parks maintenance budget. 3. That Council prioritise renewal of this asset, as the fencing has fallen into disrepair and the stairs are worn and at a hazardous gradient, with works to be undertaken within the scope of the existing roads or parks maintenance budget.	Fence and stair repairs have commenced in late August 2026 through an RFQ process.	In Progress

Item: C0426(1) Item 36 Notice of Motion: Heating the Annandale Community Centre

Task	Comments	Status
That Council officers prepare a report, including a budget and funding source, investigating the installation of energy-efficient heating solutions for the main hall of the Annandale Community Centre, including options for reverse-cycle air conditioning, which was omitted from the recent renovation.	Council is finalising the investigation. An update will be reported to the October 2026 council meeting.	In Progress

Item: C0426(1) Item 37 Notice of Motion: Pedestrian Crossings at Norton Street and William Street intersection, Leichhardt

Task	Comments	Status

and Garnet Street. 3. That Council refers this matter to the Local Traffic Forum for further consideration, including a review of current traffic volumes, speeds and pedestrian and cyclist counts on Ness Avenue, Tennyson Street and Garnet Street, review the effectiveness of the Wardell Road and Riverside Crescent left-turn ban in reducing local through traffic, sightlines, accessibility and potential safety improvements with a report at the Traffic Forum within 6 months. 4. That Council investigates the feasibility of traffic calming measures, additional signage, line marking, speed reduction treatments, or shared zone declarations in South Dulwich Hill to be included in the report to the Local Traffic Forum.		

Item: C0426(1) Item 41 Notice of Motion: Transitioning to Independence from Vehicle Ownership

Task	Comments	Status
1. That Council conduct a series of workshops across the LGA for community members, in particular seniors, who are on pensions or fixed incomes. 2. That the workshops provide informative outlines of what transitioning away from vehicle ownership means, with the benefits and the alternatives that allow continued independence, at a point in time when the cost of vehicle ownership can become onerous for community members. 3. That Council include public transport and car share information segments in the workshops as the alternatives to vehicle ownership. 4. That Council include peer presenters who have successfully made the transition away from vehicle ownership to participate in discussions with attendees to share their experiences. 5. That Council deliver a report to the June 2026 meeting outlining the program schedule, promotion plan and potential costs where the funding cannot be accommodated in existing budgets.	Council report prepared for August 2026 Council Meeting. Workshop on track for delivery in October.	In Progress

Item: C0426(1) Item 42 Notice of Motion: Expanding FOGO to Multi-Unit Dwellings

Task	Comments	Status
1. That Council welcomes the NSW Government mandate requiring councils to provide a Food Organics and Garden Organics (FOGO) service to households by 2030, noting that exemptions may apply to certain multi-unit dwellings (MUDs) where provision is not currently feasible. 2. That Council acknowledges that Inner West Council, beginning with the former Leichhardt Council, has been an early adopter of FOGO services in multi-unit dwellings and continues to show leadership in food recycling by having expanded FOGO to all single dwelling homes and embracing the local circular economy. 3. That Council affirms its commitment to expanding access to FOGO services to as many multi-unit dwelling households as practicable, and sets a goal that every household in the Inner West will have access to FOGO services, recognising the environmental benefits of diverting food waste from landfill. 4. That Council requests that Council officers prepare and report back in September 2026 on a plan to increase the	Property database analysis and field audits are underway to identify apartment buildings without a FOGO bin for the FOGO service. uptake of FOGO services in multi-unit dwellings across the Inner West, including but not limited to: a) Any requirements for Inner West Council to expand FOGO to MUDs as part of the State Government mandate; b) Identification of barriers to MUDs participating in FOGO; c) Opportunities to expand FOGO take-up in MUDs; d) Potential milestones and targets for take-up of FOGO in MUDs; e) Communications and collateral that could be used to increase the take up of FOGO in MUDs; f) Potential costs and resources required; g) Any learnings or feedback from engagement with strata committees, residents of multi-unit dwellings or building owners who already have FOGO services; and h) Any policy, infrastructure or advocacy measures required.		

Item: C0426(1) Item 43 Notice of Motion: Metro Activations in Marrickville and Dulwich Hill

Task	Comments	Status
1. That Council develop a plan to celebrate the opening of the Metro from Sydenham to Bankstown, due to take place in the second half of 2026. 2. That Council acknowledge that businesses and residents in Marrickville and Dulwich Hill have experienced significant disruption during the period of the conversion, but that once the service is open, significant numbers of people from across Sydney will visit our suburbs and support local businesses and residents will have access to a rapid public transport service every 4 minutes in the peak. 3. That Council request Council staff join with Service NSW to doorknock local businesses in the precincts surrounding Marrickville and Dulwich Hill stations to assess how council can assist in the period leading up to the opening and determine what support might be useful post-opening. 4. That Council notes planning by council staff to improve the public domain in Illawarra Road and Dulwich Hill funded through the Mainstreet Revitalisation Program, forming part of the 2026-2027 Budget considerations. 5. That a report be brought back to the June 2026 Council meeting detailing a plan for activations at the precincts surrounding Sydenham, Marrickville and Dulwich Hill stations that includes, but is not limited to: a) Public domain activations, including banners, posters, or other decorations; b) Provide businesses with Inner West Council pennants and collateral; c) A wayfinding plan, including footpath decals, signage and a precinct map surrounding stations, to connect people to key local attractions and shopping centres; d) Encouraging and facilitating buskers to perform in public spaces and parks in close vicinity to Sydenham, Marrickville and Dulwich Hill stations; e) Activations in the Calvert Street carpark, aligned with the Plug and Play program, and in the new public square adjacent to Dulwich Hill Station; f) A shopfront window dressing competition, welcoming visitors to our suburbs; and g) Other low-cost activities or initiatives that support local businesses and showcase our business districts. 6. That Council request officers to write to the Minister for Public Transport and Night-time Economy to inquire about funding opportunities to support events and local activations as	Whilst a launch date has not been announced by State Government, outreach to local community groups, Service NSW, Sydney Metro and businesses has occurred. Item: C0426(1) Item 45 Notice of Motion: Supporting LGBTQ+ Businesses in the Inner West

Task	Comments	Status
1. That Council acknowledges and celebrates the important contribution of LGBTQ+ owned and inclusive businesses and venues, to the cultural, social and economic life of the Inner West. 2. That Council notes the Inner West is increasingly acknowledged as a leading hub for LGBTQ+ culture, small business and nightlife in Sydney, attracting visitors, fostering inclusion, and strengthening the local economy. 3. That Council commits to supporting local LGBTQ+ businesses and venues through practical measures including: a) Promotion of LGBTQ+ business via council channels; b) Taking out an advertisement in LGBTQ+ focused media in the coming month promoting the Inner West as a hub for LGBTQ+ business, venues, events and organisations, including those coordinated by Inner West Council, funded through the existing communications budget or the Tourism Strategy, and following consideration of sharing costs with the City of Sydney; c) Inclusion in economic development and night-time economy strategies; and d) Exploring opportunities for grants, events, and partnerships that enhance visibility and sustainability. 4. That Council co-hosts a roundtable with the City of Sydney for LGBTQ+ businesses, venues, and community stakeholders including the Pride Business Association (PBA), to identify priorities, barriers, challenges and opportunities, and to inform future Council initiatives.	Department of Planning gateway conditions issued for King Street SEP on 15 September 2026. Coordination of roundtable with City of Sydney is underway.	In Progress

Item: C0426(1) Item 4 Business Facade Improvement Grant Program

Task	Comments	Status
1. That Council approve the grant recommendations for the Business Facade Improvement Grant Program as follows: a) Embellish Atelier located on Victoria Road, Rozelle - Baludarri Ward; b) Cafe the Beans located on Marrickville Road, Dulwich Hill - Djarruwanang Ward; c) James Bouzios & Associates, Universal Finance on Illawarra Road near Marrickville Metro Station - Midjuburi Ward; d) Hearthe Cafe located on Douglas Street, Stanmore - Damun Ward; and e) Georgia Draws a House on Parramatta Road, Annandale - Gulgadya Ward. 2. That Council increase funding for the Business Facade Improvement Program to $50,000 in 2027, enabling a total of 10 local projects to be funded. 3. That at the conclusion of the program in 2027, a full evaluation of the 15 funded projects be brought to council, including reflections on impact, value for money, feedback from participants and community, and options for improvements to the program.	Businesses have received their grants and follow up on grant acquittals will commence toward the end of the year.	In Progress

Item: C0426(1) Item 6 In-road tree planting St Marys Street Camperdown – Consultation outcomes

Task	Comments	Status
1. That Council endorse the inclusion of a kerb blister island and two (2) in-road street trees in St Marys Street Camperdown as per Attachment 1, on the condition that the work be undertaken in-house and can be funded from existing operational budgets, and that an additional kerb blister island on the eastern side of St Marys Street north of Probert Lane be incorporated if feasible. 2. That Council notes the cost to provide in-road street trees is substantially higher than trees provided in the footway due to the additional planning, consultation, road works, and ongoing care required. 3. That Council uses this project to investigate development of a standardised in-road tree planting method which can be done in-house, minimises costs, is financially sustainable, and could be replicated at appropriate sites identified by Council officers, and receives a report back on this trial to a future Council meeting of this term.	Internal planning for delivery being undertaken in June Civil. Trees ordered and work scheduled. Delivery proposal will be put forward for planting to be completed by 30 October 2026	In Progress

Item: C0426(1) Item 22 Public Tree Planting Awareness and Engagement Program

Task	Comments	Status
1. That Council receive the report and note that: a) Council is progressing the development of an integrated tree management system, due for completion in 2026, which will support improved planning, delivery and reporting of Council's public tree planting program, including Council's target of planting approximately 1,000 new public trees each year and replacement tree planting where trees are removed; b) The integrated tree management system will provide the foundation for a future public facing tree planting tracker and map, enabling the community to view public tree planting locations and viable vacancies across the LGA, with opportunities to expand information over time as the system matures; c) A communications and engagement package is being finalised to improve community awareness of Council's tree planting program and the benefits of street trees, using a mix of digital communications and signage near new tree planting locations and in high pedestrian and high visibility locations; d) Residents are able to nominate locations for investigation for potential public tree planting through existing Council programs, including Adopt-A-Spot and Living Streets Verge Gardens, with suitable locations assessed and incorporated into Council's planting program where appropriate; e) An audit of the existing memorial tree register is in progress, and this information will be included in a mapping layer as part of the integrated tree management system; f) Council has provided training to staff and will undertake future onboarding to new staff on the memorial tree plantings policy and register; and g) Council is issuing a letter of apology to the resident and liaising on the planting of a replacement memorial tree. 2. That Council endorse that the signage near new tree planting locations and in high pedestrian and high visibility locations begin to be installed by June 2026, noting that signage can be updated to link to the future	Signage and flyers developed awaiting final approval to implement as part of wider Comms plan re trees and tree planting. across the 12 hours of the event; and c) A projected $1.5 million return to the local economy. 2. That Council notes the financial and in-kind support provided by Inner West Council for this event, including the closure of Eliza St for a live music activation. 3. That Council further notes Council's resolution of October 2025 to work with festival organisers, the Music and Booze Co, on an ongoing partnership to deliver Summer Crawl and King Street Crawl as annual events (in January and July respectively). 4. That Council notes that festival organisers have sought Council funding for King Street Crawl in July 2026 to support expansion to the Enmore Theatre, fund additional artist line ups, and facilitate the closure of Eliza St for live music activation. 5. That Council resolves to provide one-time financial support of $75,000 for the King Street Crawl event in July 2026, with funding to be identified through the next quarterly budget review, discretionary funding in the events budget, and other sources as identified. 6. That Council resolves to continue discussions with the Music and Booze Co with the intent to develop a multi-year partnership and funding agreement to support sustainable delivery of Summer Crawl and King Street Crawl as annual events. Discussions should consider: a) Recognition of the Inner West Council as a leading sponsor of both events; and b) Future expansion of both events, including into Marrickville and parts of Camperdown Memorial Rest Park.		

Item: C0426(1) Item 40 Notice of Motion: Support for Addi Road 50th Anniversary

Task	Comments	Status
1. That Council resolves to support Addison Road Community Organisation in principle to deliver its 50th anniversary celebrations, subject to operational capacity and relevant approvals. 2. That Council resolves to request that Council officers liaise with Addi Road to identify suitable in-kind support opportunities, including event promotion, planning and logistical advice, traffic management coordination, and operational support where feasible. 3. That Council encourages Addi Road to apply for funding through the Inner West Grants program which closes on Friday 15 May 2026. 4. That Council resolves to recognise and acknowledge Addi Road's 50-year contribution to the Inner West and the broader community through Council communications.	Since email to Addi Road CEO referenced in June 2026 update was sent no further communications from the organisation have been received. Addi Road has publicised the event as being held on 17th October 2026. Community Wellbeing Manager will send another email to confirm whether support is required. No annual grant application for the 50th celebration was received by Council during the 2026 annual grants round.	In Progress

vehicles and equipment contributing to the deterioration of the carpark, which is partially owned by Inner West Council and the Concordia Club via NSW Crown Lands. 3. That Council welcome that resurfacing of the council portion of the carpark are included in the 2026-2027 Budget. 4. That given the impact of council's extensive and prolonged construction work, agree to resurface the whole of the Concordia Club carpark, as a once-off, and that this be funded through either the budget for the Cooks River Canoe Ramp, the existing budget allocation for the carpark renewal or general road maintenance budget. 5. That the carpark resurfacing be prioritised for as early as practicable in the 2026-2027 financial year, and following consultation with the Concordia Club.		

Item: C0426(1) Item 46 Notice of Motion: Pride Centre Activations

Task	Comments	Status
1. That Council acknowledges that the Inner West Pride Centre, led by Twenty10, has been open for over 18 months and provides a critical services and space for LGBTQ+ people from across the Inner West, and applauds the positive community impact that Pride Centre is having, including through hosting events and supporting drop-in sessions by the Inner City Legal Centre and other services. 2. That Council notes the continuing availability to the broader Inner West community of spaces at the Pride Centre for community meetings and events. 3. That Council supports the continuation and expansion of community impact at the Inner West Pride Centre through public facing events and programming. 4. That Council considers the allocation of $75,000 in the 2026-2027 Budget to support funding for events in the Inner West Pride Centre, including (but not limited to): a) Seniors Morning Teas; b) Specialist talks; c) Mardi Gras and Pride Month events; d) Open days; e) Drag story times; and f) Drop-in sessions to support LGBTQ+ Inner West residents with services, including free legal advice. 5. That Council continue to offer programs and events at the Inner West Pride Centre and explore the establishment of monthly markets at the Pride Centre, while also continuing to include such events and programming at other Inner West Council venues such as libraries and aquatic centres. 6. That if adopted as part of the 2026-2027 Budget, request staff meet with Twenty10 and other relevant stakeholders and report back to Council with a schedule of programs and events at the September 2026 Council meeting.	Meeting held with Twenty10 to discuss the resolution on 29th July 2026. Council officers have also held conversations with ACON and Rainbow Families. A Council report has been prepared for the September 2026 meeting that outlines how the proposed $75,000 budget allocation will be expended. Item: C0326(1) Item 36 Notice of Motion: Parking on Dobroyd Parade, Cove Street and Wolseley Street, Habberfield

Task	Comments	Status
1. That Council acknowledges the concerns raised by Dobroyd Parade, Cove Street and Wolseley Street, Haberfield regarding parking by local businesses in residential areas. 2. That Council notes the concerns of residents regarding the proposed EV kerbside charging locations on Dobroyd Parade, Cove Street and Wolseley Street, including the potential loss of existing open parking - a matter compounded by business parking. 3. That Council directs officers to undertake targeted ranger enforcement of any parking violations associated with the nearby automotive business, particularly where vehicles are being parked on residential streets as overflow for commercial operations. 4. That Council writes to the relevant NSW Government Ministers seeking additional enforcement tools where business parking practices relate to Development Consent breaches, including stronger compliance pathways for Council. 5. That Council commits to raising these issues formally with the Member for Summer Hill, Jo Haylen MP, to coordinate State and Local Government advocacy, and outlining the actions Council has taken. 6. That Council requests Council officers prepare information for the residents of this street that includes: a) The outcome of community feedback on the Dobroyd Parade EV charging proposal; b) Information about how business parking will be addressed and violations enforced, c) Advise as to how the residents may request the introduction of a Resident Parking Scheme for Cove Street, Wolseley Street and adjacent streets should displacement from business activity or EV parking changes continue. Item: C0326(1) Item 38 Notice of Motion: Prioritisation of works to Albert Parade Reserve, Ashfield

Task	Comments	Status
1. That Council note that the deferral of the Pocket Parks Plan of Management may have inadvertently signalled an intent to defer pocket parks that are of urgent concern and interest to residents. 2. That Council note that Albert Parade Reserve in Ashfield is listed as Priority 1 in the Pocket Parks Plan of Management and community consultation was undertaken and finalised June 2023, with design work also well progressed. 3. That Council reaffirm the intent of the motion adopted in November 2024 to progress improvements to Albert Parade Reserve in parallel with the finalisation of the Pocket Parks Plan of Management, and not to defer this park, given there has already been significant community effort invested in the consultation process. 4. That Council confirm that Albert Parade Reserve be prioritised for delivery and that staff prepare to commence works this financial year, or as soon as possible, given the significant time residents have already waited since consultation began in 2023. 5. That Council ensure that the 2023 community feedback and completed design work for Albert Parade Reserve are retained and used to guide the project's next steps without further delay. Item: C0326(1) Item 1 Public Exhibition - Draft Great Inner West Walk Study

Task	Comments	Status
That Council defer consideration of the Item and brings back an amended report in August 2026 that proposes one continuous route that: - connects suburbs in the north to the south, and may consist of one or two spurs to connect suburbs to the east and west - considers and includes key walks that already exist in the Inner West - reflects the feedback offered in community engagement to date. That a Great Inner West Walk committee be established to help inform the project, and is to: - Consist of Clr Fergusson (Chair), Clr Howard, Clr Atkins and the Director of Engineering; - Meet monthly until no later than August; and - Primarily advise on the proposal of an alternative route, required infrastructure, a communications plan and options for future expansion. That Council bring a separate report to the August 2026 Council meeting that considers the elements of the proposal offered in the proposal from SCT Consulting that may provide additional value to the Pedestrian and Access Mobility Plan (PAMP) and recommendations as to how the PAMP may be revised to incorporate them. That the Access, Bicycle and Transport Local Democracy Groups be consulted on both reports before bringing them back to Council.	Site surveys completed, relevant stakeholder groups briefed and report completed for PCG meeting at end of September 2026.	In Progress

Item: C0326(1) Item 2 Inner West Pickleball Courts

Task	Comments	Status
That Council endorse the proposal to convert the Punch Park sport courts to become multi-purpose courts that have an appointed tennis operator for limited hours each week. These courts will have line-markings added for four non-bookable Pickleball courts. Council will engage with the nearby community about the forthcoming changes and take feedback into consideration when the works proceed in mid-2026. That the forthcoming review of the Inner West Recreation Strategy consider additional Pickleball facility works, prioritised with consideration of all other sport capital upgrade works.	Council Report regarding engagement outcomes to be considered by Council at the September 2026 Meeting.	In Progress

Item: C0326(1) Item 5 Advancing Disability Access improvements in Council Street Infrastructure

Task	Comments	Status
That Council notes the importance of accessible street infrastructure in supporting safety, inclusion and independent movement for people with disability and the wider community. That Council notes the accessibility improvements delivered across the Inner West through implementation of the Disability Inclusion Action Plan 2023–26, including footpath upgrades, raised pedestrian crossings, kerb ramps and Pedestrian Access and Mobility Plan (PAMP) works. That Council acknowledges that a significant volume of accessibility improvement works are being delivered through multiple programs but are not consistently captured or communicated in current reporting. That Council requests that Council officers develop an improved communication and reporting approach for PAMP and accessibility improvements, to better inform Council, the Access Local Democracy Group and the community of completed and planned works. That Council supports the ongoing provision of $1.5 million per annum in the Long-Term Financial Plan for priority accessibility upgrades to street infrastructure. That Council consider localised treatments when advancing disability access improvements to ensure they directly address and not contradict the access needs of community members in a given area.	Council has been working with the Communications team to develop an appropriate strategy to promote the project and its outcomes. Relevant information has been provided, and Council is awaiting the proposed communications and promotional approach. The same information has also been provided to Council's Access and Inclusion Planning Leader for inclusion in the Annual Report and Disability Inclusion Action Plan (DIAP) highlights.	In Progress

Item: C0326(1) Item 11 Seniors Morning Teas to Celebrate the GreenWay

Task	Comments	Status
That Council receive and adopt the Seniors Morning Teas to Celebrate the Greenway report, and that Council endorse the expansion of the Seniors Morning Tea program to schedule and encourage morning teas: For the Marrickville-Midjuburi Ward; At the Annandale Community Centre; A Christmas themed morning tea in December 2026; Work with other local organisations to coordinate a morning tea for LGBTQIA+ seniors; and Provide an updated report to the April 2026 meeting	Spring Greenway Morning tea will be held in late October. ACON Love Club morning tea is scheduled for 10th September 2026. 8th December at Annandale Community Centre an art-based morning tea is scheduled. A Christmas morning tea at Marrickville Pavillion has been organised for 17th December 2026.	In Progress

Item: C0326(1) Item 12 Aboriginal and Torres Strait Islander Community Hub - Project Update

Task	Comments	Status
That Council adopt the conceptual designs in Attachment 1 of the report. That Council endorse proceeding with detailed design development, planning approval and delivery stages. That Council note that an external Quantity Surveyor has estimated the total project cost at $1,927,260, resulting in an approximate funding shortfall of $60,000, and commit to funding this shortfall through the 2026/27 Council budget.	Detailed design progressing. Completion remains on track for June 2027. Works are being completed in collaboration with Communities.	In Progress

Item: C0326(1) Item 13 Lewisham Placemaking Improvements Project

Task	Comments	Status
That Council proceed with the development of a draft placemaking plan for the Lewisham Town Centre, including costing estimates for each element, with the following amendments to actions to be explored by Council: In addition to a civic plaza, consider creating a shared zone and installing kerb extensions at the northern end of Victoria Street to provide additional pedestrian amenity and traffic calming, Investigate pedestrianising Jubilee Lane near Victoria Street to provide an additional public space, Investigate opportunities to semi-regularly close the northern end of Victoria Street to traffic to host live music and community events, Proactively target shopfronts on Victoria St with information on the Business Facade Improvement Program. That Council write to the Minister of Transport to inform them of the outcomes of the community engagement and call for a partnership to deliver works to improve Lewisham which complements Transport for NSW's station upgrade works. That Council receive a report back on the draft placemaking plan and engagements with Transport for NSW by the September 2026 Council Meeting.	A draft Place Plan has been completed for Lewisham and will be presented to the September Ordinary Council meeting for consideration for public exhibition purposes.	In Progress

Item: C0326(1) Item 14 Marrickville Mosaics Repair

Task	Comments	Status
That Council endorse the new strategy and timeline detailed in this report to restore the Marrickville Mosaics, proceeding with the first ten murals before September 2026 as a trial, and returning to Council in October 2026 with a further report reviewing costs and potential options to deliver the remaining works in the most cost-effective manner without compromising the quality or timeline of the project.	The condition assessment and shortlisting of mosaics have been completed, and the RFQ for professional conservation services has been finalised. Appointment of a conservator is scheduled for September 2026. Following the appointment, restoration works will commence, with the first 10 mosaic locations expected to be completed by October 2026. Item: C0326(1) Item 15 Precinct 75, St Peters - Variation To The Voluntary Planning Agreement

Task	Comments	Status
That Council note that the Department of Planning, Housing and Infrastructure is soon to publish its formal determination to a State Significant Development Application and concurrent rezoning under the new Housing Delivery Authority (HDA) mandate for Precinct 75 (situated at 67, 73-83 Mary, 50-52 Edith and 43 Roberts Streets, St Peters). That Council accept the Revised Letter of Offer dated 26 November 2025 relating to the Voluntary Planning Agreement executed 23 June 2020 for Precinct 75. That Council endorse the General Manager or nominated delegate to negotiate and finalise a Deed of Variation to Planning Agreement in accordance with the Revised Letter of Offer. That Council publicly exhibit the Deed of Variation to Voluntary Planning Agreement for a period of 28 days and seek community feedback; with a report to be brought back to Council on exhibition outcomes. That Council publish this confidential business	Exhibition of the VPA has occurred and a Report will go the October Council Meeting	In Progress

paper on Council's website after all final Occupation Certificates are granted for the development at Precinct 75, subject to prior consultation with affected parties. That Council write to the Minister for Planning expressing concern that the approvals pathway for the development has resulted in the local community potentially receiving lower developer contributions than would ordinarily be expected, noting that the additional density approved through the Housing Delivery Authority has not been matched by a commensurate increase in contributions to support local infrastructure, community facilities and the public domain. That Council officers continue to exercise their functions for the protection of the community in respect of Precinct 75 development site – noting the significant non compliances to date - and continue to support local residents by establishing a single point of contact for residents within Council for concerns. That Council investigate the ability to manage the artist studios internally and report back to Council relevant resourcing requirements and processes.		

Item: C0326(1) Item 18 Project Update: Enmore Walk of Fame

Task	Comments	Status
That Council receive and note the report outlining the scheduled delivery program for the Enmore Walk of Fame, with completion targeted by 30 June 2026. That Council in consultation with Century Venues, commence planning for a public event to celebrate and promote the completion of the Enmore Walk of Fame.	Plaque design completed and approved by key stakeholders. Plaques currently in fabrication. Installation Program is scheduled for completion in November 2026	In Progress

Item: C0326(1) Item 20 Update On Creative Town Hall Program

Task	Comments	Status
That Council receive and note the ongoing success of the Creative Town Hall program. That Council consult with Create NSW on opportunities for expansion and best-practice management of the Creative Town Halls Program, including opportunities to expand live music activations, with a report back to the May 2026 Council Meeting.	Report on Create NSW meetings and update on Creative Town Hall bookings will be submitted to Council in September.	In Progress

Item: C0326(1) Item 28 Notice of Motion: Illawarra Road Traffic and Safety Concerns

Task	Comments	Status
1. That Council acknowledges the longstanding concerns raised by residents regarding through-traffic ("rat running") on Illawarra Road, particularly north of Marrickville Road, and the associated impacts on local safety, amenity, and access for families, school children and pedestrians. 2. That Council thanks local residents, businesses and community members for continuing to bring these matters to Council's attention and for their advocacy in seeking practical, place-based improvements. 3. That Council refers the matter to the Local Transport	Traffic data analysed. Intersection modelling completed. Concepts developed for review. Aiming for September/October Local Traffic Forum report. Forum for formal consideration and requests that Council officers investigate and report back on potential traffic-calming and place-making measures, including but not limited to: a) A timed trial of parklets, other modal filters, or similar kerbside treatments in key locations, potentially adjacent to Miss Sina or The Henson Pub; b) Temporary or permanent traffic-calming devices (e.g. raised thresholds, chicanes, or narrowing treatments); c) Changes to parking configuration to reduce speeding and discourage through-traffic; d) Improved pedestrian safety measures, crossings and sight-line improvements near schools and activity areas; e) Traffic data collection and modelling to assess vehicle volumes, speeds and diversion to appropriate arterial roads; and f) Consultation with affected residents and businesses alongside the development of any trial. 4. That Council undertake a review of the Local Area Traffic Management plans (LATM), particularly for the streets surrounding Illawarra Road between Sydenham and Addison roads whilst also progressing the proposals above.		

Item: C0326(1) Item 29 Notice of Motion: Traffic Calming - Weston Street, Dulwich Hill

Task	Comments	Status
1. That Council notes the success and popularity of the GreenWay. 2. That Council notes that residents of Weston Street, Dulwich Hill, while loving the GreenWay, have reported that they are experiencing impacts from its popularity including pedestrian and cyclist safety, and damage to private property including cars and gardens. 3. That Council writes to all Weston Street residents to acknowledge their concerns and invite them to meet with Council officers. That Council urgently investigates and implements practical measures to improve safety and amenity. That Council provide the residents of Weston Street an update on upcoming pedestrian and traffic management work in relation to the Greenway, including the additional wayfinding and changes at the Old Canterbury Road crossing.	Footpath and landscaping improvements made at Weston Street near light rail station and at Old Canterbury Road to reduce conflict. On site meeting anticipated to be held in October.	In Progress

Item: C0326(1) Urgency Motion Marrickville Timberyards Development

Task	Comments	Status
That Council notes that: The Marrickville Timberyards redevelopment is a major residential project on the former industrial site bounded by Victoria Road, Sydenham Road, Farr Street and Mitchell Street in Marrickville, and located in close proximity to Marrickville Public School. The development was approved as a State Significant Development by the NSW Independent Planning Commission under delegation from the NSW Department of Planning, Housing and Infrastructure. Increasing housing supply in well-located areas close to public transport is an important part of addressing Sydney's housing shortage and the project will deliver more than 1,000 dwellings, including build-to-rent and affordable housing. Due to the scale of the		In Progress

That in the meantime the General Manager review and provide a report to the February 2026 Council meeting on work underway to: a) Review successful grant recipients in the current term of Council to identify any grants awarded to organisations that might be engaging in segregated services, payment of sub-minimum wages or restrictive practices; b) review the Sponsorship Policy and Grants Guidelines/criteria to ensure exclusion of sponsorship or funding for any individual or organisation that fails to provide appropriate remuneration to people with disability; c) maintain a thorough supplier onboarding process to ensure engagement with businesses that meet our ethical standards and compliance obligations, including requirements related to modern slavery; d) Work with Council's primary office supplier to determine their actions toward eliminating subminimum wages throughout their supply chain; e) strengthen provisions requiring sponsors and funding recipients to comply with all employment legislation and anti-discrimination law; and f) ensure web pages and directories of support services for people with disability or older people do not contain any references to Australian Disability Enterprises.	Policy to be tabled at September meeting contains specific provisions to require suppliers to confirm that neither they nor any part of their supply chain engages in exploitative labour practices	In Progress

Item: C1025(1) Item 37 Notice of Motion: GreenWay Concerns for Residents of 1-3 Williams Parade, Dulwich Hill

Task	Comments	Status
That Council acknowledges that residents of 1-3 Williams Parade, Dulwich Hill have been impacted by the construction of the GreenWay corridor and are concerned with loss of privacy, potential safety and noise impacts. That Council notes that: - The GreenWay will deliver significant community benefit; - Council staff have met on-site with concerned residents to understand the issues and work towards a resolution; - The elevated nature of the pathway and rest areas provides direct sight lines into bedrooms, bathrooms, living areas and balconies; - The corridor is acknowledged by Council to be one of the narrowest sections of the GreenWay, creating acute privacy issues; - The short-term mitigation measures outlined by Council staff include fence height increases, shade cloth, and plantings; and - Additional measures need to be explored with residents to reach resolution. - That Council investigate the feasibility and costs of installing permanent privacy screening/sound barriers along the pathway edge adjacent to 1-3 Williams Parade (such as laser-cut decorative panels, privacy screens, or similar solid barriers) and explore design options for the rest area/viewing platform adjacent to the properties, including any impacts on budget and timelines, and report those options to the Major Capital Works Committee. - That Council commits to ongoing communication and engagement with the residents to reach a resolution. Item: C1025(1) Item 1 Update on Inner West e-Bike Strategy and Policy and shared e-bike parking bays

Task	Comments	Status
That Council write to the Federal Government encouraging support for the Road Vehicle Standards Amendment (Safer EBikes) Bill 2025, tabled in Federal Parliament on 1 September, which aims to address the import of and access to high powered electric bikes in Australia. That Council continue to work with Shared bike operations on creation of e-micro-mobility hubs for the parking of e-bikes and other e-micro-mobility devices, and ensure these hubs are incorporated into	State Government recently released guidelines. A number of on-street bicycle parking bays have now been considered by the Local Transport Forum and reports submitted to Council for approval.	In Progress

Task	Comments	Status
Council's future E-Bike Strategy. That Council note the Road Transport and Other Legislation Amendment (Micromobility Vehicles and Smartcards) Bill 2025, currently at first reading. If enacted, it will regulate e-bike deployment, parking, and safety, empower councils to enforce parking, and introduce a per-trip levy (25% to councils). Combined with NSW grants, these measures will support Council funding for managing shared e-bike services. That Council defer the proposed shared e-bike operator round table until the status and provisions of the above-mentioned legislation are clarified. That Council writes to the NSW Government in support of the Road Transport and Other Legislation Amendment (Micromobility Vehicles And Smartcards) Bill 2025 currently being considered in NSW Parliament, and reaffirms the need for: better shared e-bike regulation; designated parking areas; and encourages the NSW government to invest more in separated cycleways and other active transport infrastructure. That Council ensure as part of the E-bike strategy and policy that appropriate prioritisation is given to parking bays on public domain areas and near transport nodes such as train stations. That Council note that the current ad hoc parking of rented e-bikes affects accessibility on narrower footpaths, and therefore appropriate parking and separated cycleway infrastructure should be prioritised in future grants that may be made available through new state schemes.
